

[1. Le Pescherie di Giulio Romano, Mantova](#)

Summary The Municipality of Mantova granted the Pescherie and Beccherie buildings to a private foundation with the goal to restore, preserve and reuse the abandoned complex. The strategy for this action is to give back to the city a living part of its historical center, forming a renovated pole for cultural activities in the heart...

[2. Palazzo Te, Mantova.](#)

Summary On the 9th of May 2018 the public body “Associazione Centro Internazionale d’Arte e di Cultura di Palazzo Te” has become a private foundation, “Fondazione Palazzo Te”. Through this change a public private partnership was de facto established between the Municipality, owning the palace, and the foundation managing it. Thanks to this governance shift,...
