

1. Start up Social Cooperative Enterprises (SCE)

Summary The Municipality of Dodoni has the highest senior citizen rate in the country along with a huge problem of lack of services for their welfare, while the elders also confront the low accessibility to health infrastructure and benefits. Moreover, the municipality has the necessity of infrastructure for disabled people and for staff with expertise....

2. A participatory approach for Cultural Heritage management

Summary: A major administrative reform in Greece named «Kallikratis Programme» brought a major reform of the country's administrative divisions. The Kallikratis Programme further reduced the number of self-governing local administrative units by compulsory merging the 1033 municipalities and communities which the Kapodistrias reform had already agglomerated to just 325 municipalities. The Municipality of Dodoni consists...
